

INCLUSION PUZZLE

COLLABORATION
EVENT

16-19 JUNE 2022
VILNIUS, LITHUANIA

WHAT IS THIS ABOUT?

At this event representatives of institutions from various sectors get together to prepare activities that can bring people with different background together, and thereby address polarisation and enhance social inclusion.

ORGANISER

The activity is organised by Nordisk Ungdomsorganisation, shortly NordUng. In this document we use the English translation, Nordic Youth Organisation, so NordYouth.

TARGET GROUP AND GEOGRAPHIC SCOPE

Youth in age 20+ and adults from the Nordic countries and other parts of Europe, representing youth NGOs and other institutions such as other NGOs, schools, libraries, companies etc.

WORK FORMAT AND WORK LANGUAGES

The participants will start the process at home by getting familiar with the activity ideas from the previous NordYouth activity, the Inclusion Puzzle Workshop. Once they arrive to this Collaboration Event they first get to know each others and the represented institutions. The process continues by forming partnership around activity ideas (the once proposed by the Workshop participants or others) and concretely plan how to carry them out on local/ regional/ national/ international level, or online.

The participants are encouraged to carry out the activities during summer/autumn 2022.

The main work language is English. Translation support via Scandinavian languages is available.

VENUE, ACCOMMODATION AND MEALS

The workshop is held in Vilnius, Lithuania. The accommodation in shared rooms and meals are provided by the organiser. Accommodation in single room is available for an extra fee of 100€ (for the 3 nights).
